You will benefit from the wealth you earned yourself. First you will receive favorable or unfavorable results of Jupiter and then of Venus. Wealth will keep coming to you even if you are an atheist. In the case this combination is unfavorable, you will have an inclination towards women, and you will be a pleasure-lover. Your reproductive power would be weak. You might start receiving sorrows immediately after the birth of your child. Your parents might face difficulties. You might not enjoy cordial relationship with your brothers. You might become poor in trying to help others. Relationship with women between the age of 13 to 15 might cast an adverse effect on your health.

In your Kundali, Saturn and Ketu are situated together in the 3rd house. According to Lal Kitab, this combination gives favorable results. Saturn will play the lead role. If this combination is joined to some other planet, then the effect of all the three gets diminished. Your destiny will be decided after you turn 18. You will have higher reproductive power. You should keep a single coloured pet. In case you have a multi-coloured pet (spotted), then Saturn and Ketu becomes inauspicious. If you keep a horse, there will be no bad effects.

- 1-If your family priest needs to be replaced.
- 2-If a religious place has been demolished around your house.
- 3-If a Peepal or a Banyan tree has been demolished around your house.

Effects -

According to Lal Kitab, when your hair start becoming white, then slowly the wealth of the house may start getting destroyed. And on the head, the hair from the place where the pony tail grows may start vanishing and you may start wearing a necklace or some sort of a chain. False rumors may start floating regarding you. You might have to go to the prison without committing any mistake.

Remedies -

- 1-You should collect equal amount of money from all your family members and donate it at a religious place.
- 2-Get any religious place around your house cleaned.
- 3-If there is a Peepal or Banyan tree around your house then take care of it and pour water in its roots.

In this Chart, Venus is placed in 5th house. According to Lal Kitab, this signifies 'Own Debt' being imposed on this Chart.

Symptom and Reason of Debt-

1-You may not have faith in religion, heritage, god or culture and that's why this debt is being imposed in your Kundali.

2-There might be an oven or brewery in your house.

3-There is light coming inside through a hole in your roof.

4-There are symptoms of heart diseases.

Effects -

You may progress in your life and accumulate lots of wealth. You will also be respected in the society but when your son becomes 11 months or of 11 years old, then your wealth and respect may get eclipsed. Your health may get affected badly. On top of that, you may not even move your body.

Remedies -

Precations and general Rules related to your chart

- 1- Please perform only one remedy per day.
- 2 - All remedies should be performed during the day i.e. after sunrise and before sunset. Remedies performed during the night might lead to unfavorable results. Only the recommended remedies should be performed after sunset.
- 3 - It is advisable to first complete remedies that are minor and can be performed within a day.
- 4 - Remedies that span over a long duration should be performed continuously, without any interruptions.
- 5 - Women should not perform remedies that involve going to a temple during their menstrual cycle. Instead, they can ask a blood relative, like brother, sister, father, mother, grandfather, grandmother, son or daughter to perform those remedies on their behalf.
- 6 - Remedies can be started on any day of the week. There is no need to consider a particular day like Monday, Tuesday, full moon or a new moon night to start performing remedies. Remedies that will last longer should not be started on the fourth, ninth or fourteenth day after full moon. However, remedies that last only a day can be performed on these days.
- 7 - Every remedy is to be performed continuously for either 43 days or 43 weeks or 43 months. If the continuity gets broken, then even if it is the 39th day or 39th week or 39th month, the results might not be favorable or it may not be as effective as expected. However, if for some reason the remedy cannot be performed continuously then, on the day you want to stop it, you should wash some rice grains in milk and tie them in a white cloth. Then on the day you want to resume the remedy again, you should donate the rice at a religious place or throw them in flowing water or bury them in an orchard. Doing so will result in the remedy being considered as complete and you will see favorable results from it.
- 8 - If you have been asked to perform a remedy for the remainder of your life then you should perform it first. You can then consider performing other remedies along with this one.
- 9 - If a remedy requires you to bury something in the ground using a tool then you should leave the tool at the burial place. If the remedy spans several days then you should leave the tool at the burial place on the last day of performing the remedy.
- 10 - You should not consume an article on the day when you are to donate it at a religious place or to throw it in flowing water.
- 11 - Do not indulge in any sort of physical intimacy on the day you have to perform a remedy.
