Predictions from Jaimini Yogas

In your horoscope, the 4th house and the 10th house from your Ascendant are both occupied by planets; both of these two houses equal number of planets - which are natural malefic planets. At least a pair of planets situated in either of the two houses is not involved in either sign-exchange or star-exchange. The overall combination is very unfavorable. As per Jaimini principles, it forms an Arishta Yoga combination. Owing to the presence of this unfavorable yoga, you may be engaged in doing some deeds for which you might be condemned and brought to book; there are even chances that you may have to undergo imprisonment. However, if some counteracting combinations are present in your chart, then the things will be modified for the better.

In your horoscope, the 11th-lord is situated in the 4th-house or jaspects it. This is a quite favorable combination as per Jaimini principles.
