Transits of Planets in the Zodiac

The Sun in transit is crossing over the 4th from your Moon-sign. This is not a favourable transit and you are likely to face some problems at your workplace and also in your own house. If other planets in transit are also not in favour, then you may become unwell and lack the vigour for physical enjoyments. This transit is not favourable for your parents, one of whose health-condition might cause you some concern.

The Sun transits this sign during the month of Pousha, (from about 15-16 December to 14-15 January).

The Moon in transit is crossing over the 5th from your Moon-sign. This transit is not very favourable and you will have an unfavourable period for a couple of days. You may incur some losses in unwise speculative investments or become unhappy on account of your children's behaviour or activities. If you are having a romantic liaison, then your dearer-than-heart can turn to be very whimsical and hurt your feelings. If you are going for a picnic or tour to a short-distance place, it could prove to be a harrowing experience.

Mars in transit is crossing over the 8th from your Moon-sign. This transit is quite unfavourable and you should remain very careful and cautious -- more so while passing through a busy street, or working near a moving part of a machine or fire. Your physical condition may worsen as you may suffer from fever or some problem connected with blood. You are likely to face wide fluctuation and find it difficult to keep your financial position steady. If some other malefic planet is also crossing over the same place, then you may run the risk of losing your credibility and honour.

Mercury in transit is crossing over the 5th from your Moon-sign. This is not a favourable transit and you should curb over-optimism. Speculations and money-lending should be avoided altogether -- unless loss is desired. Your children may become a source of worries to you and for the behaviour of your spouse, you may feel very unhappy. You may feel somewhat disturbed, for which you may not be able to fully enjoy the entertaining game- or film- shows you might go for watching.

Jupiter in transit is crossing over the 5th from your Moon-sign. This is a highly favourable transit, and Jupiter will shower you with his choicest blessings. You will be fortunate in many respects; some of your cherished desires will be fulfilled and an ambition realized. You are likely to gain some favour and active assistance from the influential people; you may find a new job or secure a lucrative promotion. If you are in love with someone, then 'U-2' will come closer to each other. If you are married, you may have a child-birth; if you have grown-up children, then they will become a source of happiness and add to your joy.

Venus in transit is crossing over the 4th from your Moon-sign. This transit is very favourable and you will be lucky in many respects. You will have good gains from more than one source, and your domestic life will be blissful and happy. You may have an auspicious celebration or a get-together in your family, and your house would reverberate with joyous and resounding laughter. You will have tenacity of mind, good memory, pleasing thoughts, profound intellect and keen judgment.

Saturn in transit is crossing over the 5th from your Moon-sign. This transit is not very favourable; you may experience some inconveniences and problems affecting certain areas of your life. Your spouse may become moody and unpredictable, while the health of your children may cause you some serious concern. If you are engaged in academic or intellectual pursuits, your progress might be hindered; even there might be a temporary interruption. Your earnings from profession and gains from other sources might become

reduced; for preventing the possibility of incurring losses, it will be advisable for you to stay away from speculative investments altogether.

Rahu in transit is crossing over the 9th from your Moon-sign. This is the most adverse transit of Rahu, and you should remain very careful and cautious. Your expectations from a person residing in a distant place may become spoilt owing to some sudden and unexpected developments. Besides, you may have some disappointments and uncertainties may becloud your prospects. If other planets are also not in favourable transit, then you may have mounting losses, and in the worst possible case, you may become a victim of a calamitous cause, political or social turmoil, or some abrupt change in government policies.

Ketu in transit is crossing over the 3rd from your Moon-sign. This is a highly favourable transit; your life will be joyful and bright with happiness. You will become very courageous, active and enthusiastic; you may take up new assignments and complete them successfully in time. In connection with your profession, you may have many journeys to short distance places, meet and hold discussions with many new people, and return back home with filled bags, which hold promises for the future. If you are a contractor, CF agent or order-supplier, then you may have many new opportunities knocking your door in close succession.
